Our Guest Speakers will be from the Office of State Planning Coordination (OSPC). The mission of the OSPC is the continuous improvement of the coordination and the effectiveness of land use decisions made by state, county and municipal governments while building and maintaining a high quality of life in the State of Delaware.

Director Dave Edgell and Principal Planner Dorothy Morris will review the State's 2024 Annual Report. This report addresses the growth, development and preservation

challenges we will be facing for the next five years and beyond.

The report can be found here: [Office of State Planning Coordination \(OSPC\) - State of Delaware](#).

Edgell and Morris were the keynote speakers at the Jan SPC meeting

We will also have quick updates on:

Two amendments to codes regarding Open Space and 99-9C (conditions to be met for the approval of subdivisions).

Preserve Our Park President, Elaine Simmerman and Joe Pika will introduce new challenges facing Henlopen State Park. In the fall 2022, The Preserve Our Park Coalition was formed to meet the challenge of DNREC's plan to build a bar/restaurant on an undisturbed dune just below the Hawk Watch. [Preserve our Park](#)
