

Eyes on County Council

Who Are We?

A volunteer group that reports on
the activities of
Sussex County Council
for public awareness

Our Goals

- Maintain public presence at County Council meetings
- Encourage public involvement
- Educate the public about what goes on in Council meetings
- Communicate information about the Council's activities, especially regarding land use

How We Operate

- At least 2 volunteers at every meeting
- Volunteers record notes on what happens at the meetings (we also provide an observer form)
- EoCC summarizes the volunteers' notes into a digest
- EoCC sends the digests to advocacy organizations, who then distribute to members

How You Can Help

•WE NEED VOLUNTEERS!!

- If you're interested in working on EoCC operations:
 - Coordinating volunteers or
 - Compiling meeting notes into digests,
please talk to us after the meeting
- If you and/or your organization are interested in volunteering to attend County Council meetings and receive EoCC digests, please send mail to abwsierra@gmail.com

Why Volunteer?

- The stakes are too high
- Great way to meet like-minded people and get to know members of County Council
- Become an active member of EoCC and SPC
- Opportunity to educate the public about current county matters
- Opportunity for advocacy on behalf of county citizens
- “Ain’t Nothin’ to It, But to Do It”
